### Terms & Conditions : Foreign Nationals For Kidney & Liver Transplant

Organ transplantation in India is governed by a Law known as the Transplantation of Human Organs Act.

All transplants at Indian Hospitals are carried out strictly as per the provisions of this Law. The Act permits transplants only between persons who meet certain criteria, which are checked thoroughly by the Authorization Committee which is set up by the Government of India. Suitability of Donor would be decided by the treating consultant but as per the Transplantation of Human Organs Act, 1994 (THOA), the donor should be above 18 years of age.

The Patients are advised to go through the checklist and read it very carefully, compile all the documents and get them attested properly BEFORE LEAVING THEIR HOME COUNTRY/coming to India.

In case you need any clarifications, please feel free to contact us at [info@liferxhealthcare.com](mailto:info@liferxhealthcare.com)
